Founding Fathers Products Donates \$50,000 to Florida Hurricane Relief Efforts

Funds will help the American Legion, Department of Florida as they continue to assist in recovery.

MINNEAPOLIS, MN (December 2022) – The American Legion, Department of Florida received a boost in their efforts to assist in hurricane Ian recovery efforts with a \$50,000 donation from Founding Fathers Products. The Department continues to provide assistance in the aftermath of the hurricane, specifically to veterans and military families. Founding Fathers Products, based in Minnesota, sells quality gourmet 100% Arabica coffees and pet treats with 50% of profits donated to military families through organizations like American Legion.

“We are honored to support the work of the American Legion in Florida as they continue to provide necessary support and resources to those recovering, especially veterans and military families.” said Phil Knutsen, CEO of Founding Fathers Products. “I founded the company to give back to those who have sacrificed so much to protect our freedom and this is the perfect cause for us to help support.”

The recent donation adds to the list of donations Founding Fathers Products makes as part of their mission. Other donations include to Folds of Honor and scholarships to military families. Founding Fathers Coffee and Founding Fathers Treats are available at Amazon.com, Military Exchanges and many fine retailers.

About Founding Fathers

Established in 2009 by Minnesota entrepreneur Phil Knutsen, the mission of Founding Fathers is to keep America strong one product at a time by providing the best American-made products aligned with the principles and values that made the United States the greatest country in the world. Founding Fathers Products will donate 50 percent of profits from the sale of its goods to support military troops and their families. For more information, visit www.foundingfathersproducts.com.
